

FEBRUARY NEWSLETTER

THIS MONTH...

As the eighth anniversary of the tragedy approached, our South Florida MOSS Clubs came together for a day of service and love at the Parkland Library on February 13, followed by another gathering at Eagles' Haven on February 14 to honor Alyssa and the 16 other victims. Their dedication serves as a powerful reminder of the strength that arises from unity and action.

MOSS GOES TO DC

Ten MOSS student leaders traveled to Washington, DC, this month with our founders, Lori and Dr. Ilan Alhadeff, to advocate for Alyssa's Act on Capitol Hill, generating significant national media attention and strengthening momentum for legislation to set a standard for school safety.

SCHOOL SPOTLIGHT SHERWOOD HIGH SCHOOL, SANDY SPRINGS, MD

We proudly recognize our Sherwood High School MOSS Club, led by advisor Michele Bloom, for its continued dedication to our mission. From traveling to DC to standing out at our Phone-a-Thon, they consistently show incredible spirit and leadership. Student leaders Hector Morales III, Claire Strosnider, and Jeremy Petrash (pictured right), exemplify the commitment that makes this club so special.

HOUR-A THON RESULTS!

- On February 1, our MOSS Clubs united and successfully raised nearly \$13,000 for school safety initiatives!
- A big congratulations to Pascack Hills (NJ) and Alexander Dawson High School (CO) for demonstrating the highest impact and participation!
