

JUNE NEWSLETTER

THIS MONTH...

As the school year drew to a close, we took great pride in celebrating our seniors and their incredible achievements. We honored six exceptional seniors with the **Alyssa Alhadeff Senior Scholarship**: **Avery Burton**, **Hector Morales III**, **Finn O'Brien**, **Olivia Peskin**, **Ashley Schwartz**, and **Alexandra Yeates**.

We also stayed active at safety conferences in Orlando and Washington, D.C., while making preparations for the upcoming school year this fall.

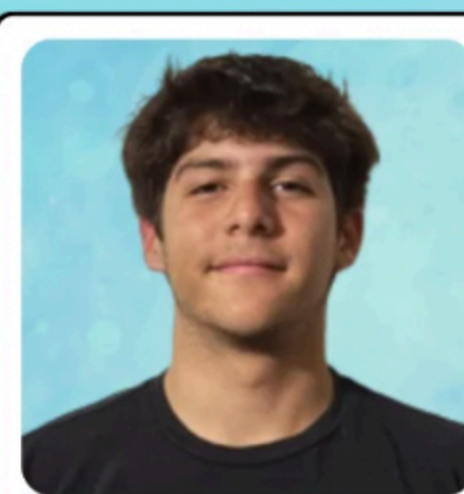

SCHOOL SPOTLIGHT PASCACK HILLS HIGH SCHOOL

Congratulations to Pascack Hills High School MOSS for being awarded the **MOSS Club of the Year!**

This outstanding group excelled in every project, leading the Hour-a-thon fundraiser with the most donations and highest participation. They connected with middle school students through the Bronco Buddies campaign and launched a first-of-its-kind window-covering safety project. As the **first MOSS Club in New Jersey**, they garnered considerable media attention for its impressive efforts!

Avery Burton
Pompano Beach High School

Hector Morales III
Sherwood High School

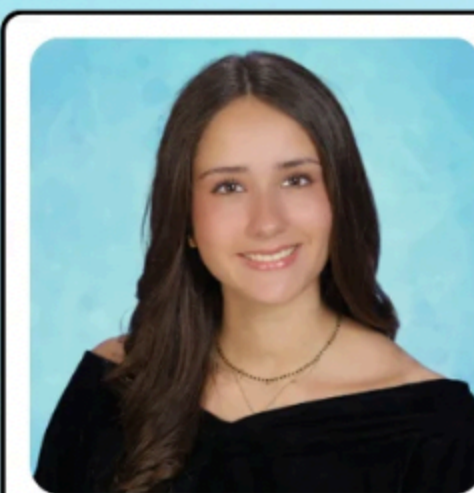

Finn O'Brien
Fort Lauderdale High School

Olivia Peskin
Saint Andrew's School

Ashley Schwartz
Pascack Hills High School

Alexandra Yeates
Pompano Beach High School

OUTSTANDING ACHIEVEMENT!

The MOSS Club at **Columbia Grammar & Preparatory School** has established a new graduation requirement for all students: completing a 45-minute CPR training course. This course, instructed by local experts, also includes training on Stop the Bleed kits, designed to help save lives in emergencies. The club is actively raising funds for additional kits through a special event and fundraiser this summer.
