Morgantown High School in West Virginia (pictured below) hosted Delegate Jonathan Pinson for a press conference to announce a donation to the Alyssa Alhadeff Safety Fund. This event garnered significant media attention across the state. SCHOOL SPOTLIGHT

COLUMBIA GRAMMMAR & PREPARATORY SCHOOL
NEW YORK, NY

We celebrate **Columbia Grammar and Preparatory School** (pictured above) for its remarkable contributions to our mission. Led by **Lola Levit** and **Maverick Satnick**, the club efficiently raised funds for Stop the Bleed kits and training, thereby enhancing safety and promoting a sense of community. Through engaging activities like bake sales and workshops, the club united the school community. Their leadership inspires students to strive for a safer environment, highlighting the impact of young dedicated leaders.
