# MOSS CLUB

# AUGUST NEWSLETTER

## THIS MONTH...

Many of our southern schools have kicked off the new academic year with welcome back events, including club rushes and orientations. Our MOSS Club tables were beautifully set up to attract new members. Recently, our **Palm Beach County MOSS Club** participated in the ***Community Servant Impact Leaders Day*** in Boca Raton, which welcomed hundreds of local students to discover local nonprofit organizations, including **Make Our Schools Safe**. Our team (*pictured on the right*) thoroughly enjoyed engaging with potential new MOSS Club members.

## STUDENT SPOTLIGHT

***JUSTIN KRAMESIEN & ALLISON OFSTEIN***

***MSD MOSS CO- PRESIDENTS***

We are excited to shine a spotlight on our outstanding co-presidents of the **MSD MOSS Club, Justin Kramesien and Allison Ofstein** (*shown on the right*). Their dedication and teamwork have been impressive, and together they have maintained a **perfect attendance** record at our local events. Justin and Allison are both exemplary leaders and ambassadors for our organization and for **Marjory Stoneman Douglas High School**.

## MOSS IN ILLINOIS

As Illinois became the 13th state to enact Alyssa's Law, we are also thrilled to welcome **two new MOSS Clubs** in the state at **Northwood Middle School** and **Edgewood Middle School**!
