

MOSS CLUB8 NEWSLETTER

JULY

THIS MONTH...

Our MOSS Clubs have been quite active this summer!

During the July 4th weekend, "**Pilates for a Purpose**" in the Hamptons raised over \$7,000 for Stop the Bleed kits. Organized by the MOSS team from **Columbia Grammar & Preparatory School**, this sold-out event attracted more than 75 attendees. A heartfelt thank you to **Lola Levit, Maverick Satnick, Lucas Hect, Stella Lehman, and Olivia Kahn** for leading and contributing to the success of this event.

MOSS GOES TO FAU

The **South Florida MOSS team** partnered with the *Upward Bound Trio Program* at **FAU** for two exciting events this summer.

The first event was a **workshop** that introduced MOSS to more than 60 students from local schools. Following the success of this presentation, the team was invited to participate in the FAU annual **Fashion Show**. Themed "*Passport to Success*," this event celebrated the students' personal growth and future ambitions, with a special focus on school safety that showcased MOSS t-shirt designs.

TRAINING IN MICHIGAN

The **Fordson MOSS Club** recently attended *Emergency Response and Reunification Training* organized by **Singlewire** and the I Love U Guys Foundation. Special thanks to **Ayana Alatrach** for her representation.
