

THIS MONTH...

MOSS Clubs are welcoming hundreds of new members during Club Rush and hosting their initial meetings. We recently held a national Zoom call to exchange ideas and strategies for the upcoming year. At **Spanish River High School in Boca Raton, Florida** (pictured left), the club partnered with a local elementary school to launch our *Safety Squad* children's book.

STUDENT SPOTLIGHT

PAITYN SCOTT

We proudly highlight **Paityn Scott**, (pictured right) MOSS Club President at **Monarch High School in Coconut Creek, Florida**. A member since freshman year, Paityn has welcomed 15 new members and fostered an inclusive community. Her leadership has positively impacted events like Knights Fest and the annual soccer game honoring Alyssa. We appreciate her dedication and commitment to making a difference on her campus.
